Dear Gina,

On behalf of The Mokena Community Board of The Cancer Support Center, thank you for your support of this year's March Madness event. The Community Board is a dedicated and committed group of caring individuals who come together to support The Center's mission through outreach activities and special events, while also forging friendships along the way.

Thank you for your gift of \$250.00 as an Elite Eight Sponsor.

In 2015, The Center's service hours increased more than 20 percent compared to 2014, making your support critical to fulfilling the demand of our participants' needs. With your assistance, The Cancer Support Center is able to provide services at no cost to participants throughout more than seventy communities in Chicago's Southland. You help us change the lives of thousands – including patients who are in need of critical support, fighting this devastating disease or seeking programs to improve their quality of life.

Once again, thank you for your generous donation. If I can ever be of help to you or someone you love who is battling this terrible disease, please contact me directly so that we can provide comfort and support. Because of your generous support, The Center is able to assist those affected by cancer, and for that we are most grateful.

All the best,

Karen Horn
Director of Development

P.S. All but \$10 of your ticket is tax-deductible to the fullest extent of the law. FEIN #: 36-3880404
