

September 29, 2015

Dear *B.J.*

On Sunday, Sept 27, 2015, Rose's Girls, participated in the McHenry County Walk to End Alzheimer's. We were joined by about 400 other walkers. Our team raised over \$12,500.00 which I personally raised over \$6,000.00 due to your extreme generosity.

Your continued support and generosity is greatly appreciated by Howie, myself and our family as well as the over 5 million Americans who suffer from this disease.

We also want to thank our family members who came to support us, my nieces Dawn McGinnis, Courtney McKnight, Gina Summers, Christina LoBianco, our cousin MaryLynne Coughlan, and our friend Megan Gusick. It is a great tribute to our Mom's memory.

This year's Walk was bittersweet for us and dedicated to our sister, Bea LoBianco who could not join us. She was in the hospital recovering from surgery after having been diagnosed with ovarian cancer. We are hopeful for her recovery with the support and love of our family.

On behalf of our family, Howie and I thank you again for your continued support and generosity. It is very special to us.

Sincerely,

*Adele + Howie*

Adele and Howie Knickels

*Thanks again for your generous  
sponsoredship of our Walk.  
We appreciate your continued  
support.*
