***Re: Imperial Crane/Bohne Foundation Nomination for Business in
Excellence Award***

Dear Jim Elsener:

New Foundation of Hope on the Southwest Side of Chicago is a youth organization devoted to providing community-building resources since 2002.

On behalf of New Foundation of Hope, I would like to participate in nominating Imperial Crane/Bohne Foundation for the Business in Excellence Award.

Imperial Crane/Bohne Foundation has been actively involved in supporting our youth organization. They have helped our organization in continuing our annual Thanksgiving turkey and ham give-away. During our 2015 Summer Youth Program, Bohne visited our organization with his daughters and also encouraged his staff members to join. They participated in various activities such as drawing, dancing, singing, etc.

We are grateful for their participation and generous donations. We would like to see them continue to prosper in their family business and we look forward to their future community involvement with New Foundation of Hope.

Best regards,

Ronald Mason
Executive Director
